

# Heartsaver® Pediatric First Aid CPR AED Online

**BLENDED LEARNING**

*UPDATED TO REFLECT*

**GUIDELINES  
2015 CPR & ECC**

Heartsaver Pediatric First Aid CPR AED Online has been updated to reflect new science in the 2015 American Heart Association Guidelines Update for CPR and Emergency Cardiovascular Care and the 2015 American Heart Association and American Red Cross Update for First Aid.

Heartsaver Pediatric First Aid CPR AED Online is the eLearning portion of the Heartsaver Pediatric First Aid CPR AED Blended Learning Course and is designed to teach students cognitive information needed to respond to and manage illnesses and injuries in a child or infant in the first few minutes until professional help arrives. Upon completion of the online portion, students must complete hands-on skills session with an AHA BLS or Heartsaver Instructor.
